- Tá sé tábhachtach modhanna múinte matamaitice na scoile a leanúint. Muna bhfuil sé soiléir óna leabhair gur féidir ceist a chur ar an múinteoir sampla a sholáthar.

5. Homework and how parents can help.

Parents/guardians should be sure to check their children's homework and sign the homework journal each night. They should also pay close attention to the learning homework, such as tables and spellings. A time should be agreed with the child as to when the work will end. The class teacher will be willing to offer guidance regarding how long the homework should take depending on the particular age group. (See homework diary for this)

The aim of homework is to consolidate the work done in the classroom, to instill a sense of self-discipline in the child, to involve parents in their child's education and to develop good study habits. Parents should ensure that homework is done to a standard in keeping with the work done in class.

- Encourage a positive attitude toward homework from the start.
- Allow the child to undertake his/her homework independently and this will help to build confidence and self-discipline.
- Agree a suitable time with your child for doing homework, considering the need to play and relax, and have family time.
- Provide a quiet place, a suitable worktable, free from distractions such as tv.
- Memorisation such as spellings and tables should be given particular attention.
- One to one parent and child attention is very beneficial to the child, but it is important not to over help by doing the work.

Ní cheadaítear súgradh garbh nó troid, nó aon ghníomhaíocht a d'fhéadfadh a bheith ina chúis le gortú.

Ba chóir do pháistí meas a léiriú ar mhaoin na scoile, gan bruscar a chaitheamh agus gan dochar a dhéanamh d'fhoirgnimh nó do throsacán.

In the playground, the children have designated areas in which to play. We have the Playworks system in every yard in the school. This ensures that no child is left out or is playing on their own.

Rough play or fighting, or any activity that may cause injury is not allowed. Children should show respect for school property by not littering and not defacing or damaging buildings or furniture.

9.Córas tráchta aon-bhealach

Tá córas tráchta aon-treo curtha i bhfeidhm againn le blianta fada, ó do pháiste a fhágáil linn ar maidin agus iad phiocadh suas tráthnóna. Rinneamar é seo chun sábháilteacht a chinntiú do gach pháiste agus chun sreabhadh rianúil an tráchta a chinntiú. Féach ar an léarscáil thíos le do thoil.

9.One way traffic system

There is a one way traffic system in place at the school during drop off and pick up. This one way traffic system has been implemented for many years. This is done to ensure the safety of all pupils and to keep a smooth flow of traffic. Please see the map below.
